KIA ORA, WELCOME TO CHRISTCHURCH & CANTERBURY

Christchurch is New Zealand's second-largest city and the gateway to the South Island. Bordered by hills and the Pacific Ocean, it is situated on the edge of the Canterbury Plains that stretch to the Southern Alps.

Renowned as the Garden City, Christchurch boasts a number of beautiful parks and gardens, tree-lined boulevards, the meandering Avon River and the delightful Botanic Gardens and Hagley Park.

BOTANIC GARDENS

Nestled in a loop in the Avon River, the Christchurch Botanic Gardens hosts grand tree-lined paths and lawns, colourful flower beds and feature gardens, and showcases some of our favourite New Zealand native plants. Open every day of the year at 7am with free admission. Visit the Botanic Gardens Information Centre for more details.

CENTRAL CITY LIBRARIES

Central Library Peterborough and Central Library Tuam provide library services including access to loan books, free WiFi, DVDs and free to use computers (with access to hundreds of online newspapers and publications).

RE:START

Re:START is Christchurch's first inner city retail offering post the February 2011 earthquake, and it's a shopping experience like no other, providing Christchurch a range of quality retailers located in a cool funky city environment. Re:START has great cafes, a range of specialty gifts stores and a selection of fashion boutiques not found elsewhere.

Open 7 days, there are over 40 retailers housed in brightly coloured shipping containers – kiwi ingenuity at its best. Free WiFi.

TRANSITIONAL CITY

As you wander around the Central City you will discover a number of creative and fun projects that have been developed to brighten-up spaces and bring life to the Central City.

Transitional projects include oversized furniture in parklets, a Dance-o-mat, murals, blackboard walls, lots of temporary artwork and heaps more!

A small number of these exciting projects are marked on the map above, but to find them all go to the What's Hot category on findchch.com
